AIMS

This policy aims to ensure that Barnburgh Primary School will ensure that:

- Suitable education is arranged for pupils on roll who cannot attend school due to health needs
- Pupils, staff and parents understand what the school is responsible for when this education is being provided by the local authority

LEGISLATION AND GUIDANCE

This policy reflects the requirements of the Education Act 1996.

It also based on guidance provided by our local authority.

THE RESPONSIBILITY OF THE SCHOOL

SCHOOL NURSING – ACCESS TO UNIVERSAL PROVISION

If health needs are identified, the DSL will contact the school nursing service for information and advice. Where a new diagnosis is received and further advice and support are required school may contact the School Nursing Single Point of Contact (where all enquiries need to go) on 01302 566776 or email rdash.doncasterchildrenscaregroup@nhs.net

If the school makes arrangements

Initially, the school will attempt to make arrangements to deliver suitable education for children with health needs who cannot attend school.

- The child's class teacher will arrange for work to be sent home.
- This will be monitored by the Senior Leadership Team.
- The school will coordinate the sending of work with the hospital school if appropriate.
- The school will consult parents and children about these arrangements.
- The school will consult with parents and medical professionals to coordinate a plan for the child's reintegration back into school.

If the local authority makes arrangements

If the school can't make suitable arrangements, Doncaster Local Authority will become responsible for arranging suitable education for these children.

In cases where the local authority makes arrangements, the school will:

- Work constructively with the local authority, providers, relevant agencies and parents to ensure the best outcomes for the pupil.
- Share information with the local authority and relevant health services as required.
- Help make sure that the provision offered to the pupil is as effective as possible and that the child can be reintegrated back into school successfully.

When reintegration is anticipated, work with the local authority to:

- Plan for consistent provision during and after the period of education outside the school, allowing the pupil to access the same curriculum and materials that they would have used in school as far as possible.

- Enable the pupil to stay in touch with school life (e.g. through newsletters, emails, invitations to school events or internet links to lessons from their school).
- Create individually tailored reintegration plans for each child returning to school.
- Consider whether any reasonable adjustments need to be made.

LINKS TO OTHER POLICIES

This policy links to the following policies:

- Accessibility plan
- Supporting pupils with medical conditions

APPENDIX A NAME OF APPENDIX

Put forms, lists, additional information in the Appendices. Use the Headings to split them.
Should be one page, don't have more than one per page.
